

Why to join VSNA-Dallas:

For starters, we are 50+ families in Dallas, growing and bonding strong, celebrating life events, milestones, sharing joys, successes and sorrows in supporting one another. In addition, consider the following:

- **(Re:) Discovery of roots:** Reminisce about where we were born, growing up, reconnect with people from similar locations, find relatives in expansion of that network.
- **Preservation of Heritage:** Ensure that important aspects of our community, who we are and our identify are passed down from generation to generation. Automatic membership to the central VSNA USA chapter.
- **Community Building:** Provide a platform where people can connect, build meaningful relationships and provide a sense of belonging for our community. A space to feel at home while being away.
- **Education & Awareness:** The Dallas chapter meets at least 4-6 times a year to celebrate key events such as Maha Shivarathri, Basava Jayanthi, Deepavali, etc. Stay informed about the happenings within the broader VSNA community across United States and other locations.
- **NextGen Engagement:** Encouragement for youth to engage, provide personal growth opportunities for adults & kids by fostering skills such as leadership, teamwork, event planning, volunteerism. Great opportunity to showcase Talent & passion.
